

HOT PLACES, COLD PLACES

Objectives include:

For children to ...

- Be aware of different cultures and customs of Countries around the World
- Know the names of oceans and continents
- Have researched a country of their choice in depth and produced a mini project
- Understand the concept of being the same but different

Literacy objectives include:

- Reading and enjoying poetry about Hot and Cold
- Reading and writing poetry relating to modes of travel
- Writing factual reports about different cultures and countries
- Writing a recount of the Nativity story

Numeracy objectives include:

- Using and interpreting tally charts and pictograms
- Adding multiple small numbers
- Adding multiples of 10 or 100
- Telling the time both digital and analogue in minutes and seconds
- Recall multiplication and division facts for the x2, x3, x4, x5 and x10 tables
- Recognize fractions, mixed numbers and equivalent fractions

You can help by:

- Practising telling the time - both digital and analogue
- Continue working on times tables
- Encouraging your child to look at an atlas to learn about the world
- Helping your child research a country of their choosing

My targets are:

- _____
