Become an iGENIUS

Dear Parent / guardian,

We are looking for a group of children to help us with launching and maintaining the new iPADS we have in school. This group will become our iGenius' and will be responsible for looking after the iPADS. The iGenius group will also be able to support other children and staff during lessons. We will be running a Genius bar in the ICT suite every Friday lunch time from 12:30 where the group will discuss new apps and possible ways of using the iPADS in school. The Genius bar will also be open for anyone who has an iPad related question. Our iGenius group will do their best to help you.

We are looking for 1 iGenius from each class. If you are interested in applying for this role then please send an email to enquiries@brockwell-jun.derbyshire.sch.uk and use the subject iGENIUS.

Your email must be sent before the 3rd of June.

In your email you will need to include;

- Why you would like to become an iGenius?
- How have you used iPADS before?
- What apps do you enjoy using in school? And why?
- You could also include any examples of work you have done using iPADS.
- Remember always use your best writing. (No text speak)

Once we have received all of the emails we will ask the successful candidates to have a short interview with staff. This is where you can "show off" your iPad skills.

We look forward to your emails.

Good Luck!
