

9th January 2017
Dear Parents and Carers,

Ensuring children feel safe at school has always been a priority for us. This year we'd love to have this recognised through the Derbyshire Preventing & Tackling Bullying Award, known as the STOP campaign.

Research shows that bullying happens in any school. However, by applying for the award, we will examine our systems for dealing with bullying now and monitor the views of pupils, parents and staff at the school. If the work we do meets the County Council's criteria for good practice, we will be awarded the Award for two years. For further information in general about bullying, please refer to our website and letters sent home last term.

We would be grateful if you would complete the following questionnaire and return it to school as soon as possible and by 23rd January 2017.

We look forward to receiving your replies and thank you in advance for your time.

Yours sincerely,

Hayley Brown
