

Safeguarding Policy for Children

What is Safeguarding?

- Our Motto is 'Safe, Smile, Succeed'.
- All the adults around you think that your health, safety and welfare are very important.
- At our school, we respect all children and adults, and help to protect their rights.

How does Brockwell Junior School work to keep you safe?

- We provide a safe environment for you to learn
- Staff at our school know how to keep you and your friends safe, at home as well as school.
- It is important for you to know where to get help if you are worried or unhappy about something.
- We teach you how to keep you, and others, and to recognise risks in different situations. Our lessons include, healthy eating, e-safety, road safety, open water safety, personal safety, active consent and lots more too. Assemblies also are filled with lots of links to being aware of keeping yourself and others safe.

Need to Talk?
