

Brockwell Junior School Key Stage Two Learning Journey

Year Group	Year 3			Year 4			Year 5			Year 6		
	Sep - Dec	Jan - Apr	May - July	Sep - Dec	Jan - Apr	May - July	Sep - Dec	Jan - Apr	May - July	Sep - Dec	Jan - Apr	May - July
Subjects English Develop language and communication skills and cultivate character through a love of books.	Painting pictures with words. (Description of the Nile and inside the tomb) Caring for a giraffe. (Instructions fact file) Writing to others. (Letter to a curator)	Writing to perform. (Playscripts) Exploring emotions. (Diary writing) The power of storytelling. Playing with poetry. (Shape poems)	Exploring characters. (Description) Writing in role. (Postcards) Making a plan. (Notes using words, diagrams, labels)	Writing to others. (Letter to my teacher) A letter to Rwanda. (Recount) Is plastic fantastic? (Plastic debate and Poetry) People who have changed the World. (Biography writing)	Exploring emotions. (Beowulf's diary) The power of storytelling. Persuasion. (A battle cry)	The new Iron Man (Creating an imaginary creature with words) Firing our imaginations. (Features of different poetry) (Two poet study) Ready to perform. (Creating, rehearsing and performing choral poems)	Firing our imaginations. (Poetry) Animals on the move (Report writing) Powerful writing. (Mythical scene) Come and visit the museum. (Writing to persuade)	It's a rap! (A rap for our school) How can I explain? (An explorer's handbook) Understanding others. (Writing from different viewpoints)	Exploring emotions. (Diary writing) The power of storytelling. Come to our school! (Writing an advert) I can perform. (Performance poetry)	Firing our imaginations. (Poetry) Whose point of view? (Writing from different viewpoints) The powers of persuasion. (Letter from Lord Shaftesbury)	What did you think? (Playscripts and Review of YSC performance) Painting pictures with words. (Descriptive poetry) What's your opinion? (How to debate)	What do you think is the greatest invention? (Writing an online article) What makes a good reader? (Revision sessions) The power of storytelling. Preparing to perform! (Scripts for leavers assembly)

In the words of Cressida Cowell, the Children's Laureate...
 ...Every child has the right to... **Own their own book. Access new books in schools, libraries and bookshops. See an author event at least once. Have advice from a trained librarian or bookseller. Read for the joy of it. Be read aloud to. Have some choice in what they read. Be creative for at least fifteen minutes a week. See themselves reflected in a book. Have a planet to read on.**

We pledge to support these rights through our carefully designed English curriculum, enhanced by our well-resourced, vibrant and welcoming school library.

History - Understanding the significance of the past.

<p>Ancient Egypt What were the wonders of Ancient Egypt?</p>	<p>Stone Age – (Bronze Age) - to Iron Age How did the lives of ancient Britons change during the Stone Age? What is the secret of the standing stones? How do artefacts help us understand the lives of the people in Iron Age Britain? Visit to Creswell Crags & History Van</p>			<p>Anglo-Saxons Were the Anglo-Saxons really smashing?</p>	<p>The Vikings and Anglo-Saxons struggles Were the Vikings always victorious and vicious? HISTORY VAN</p>	<p>Ancient Greece The story of The Trojan Horse: historical fact, legend or classical myth? How can we re-discover the wonders of Ancient Greece?</p>	<p>A Local Historical Study – Eyam, Longshaw Who are Britain's National Parks for? <i>Including history of national parks and local study within the peak district</i></p>	<p>Why was winning the Battle of Britain in 1940 so important? A study of an aspect or theme in British history - children's experiences during wartime. What is it like to live in a warzone? Visit to Eden Camp</p>	<p>A study of an aspect or theme in British history How did the rights of children change during the Victorian Era?</p>	<p>A study of an aspect or theme in British history □ The life and works of William Shakespeare To be or not to be? LIVE-THEATRE: YOUNG SHAKESPEARE COMPANY</p>	<p>How could Hitler have influenced a nation like Germany to have followed him? □ Hitler's invasion of Poland and its impact on Britain Why did the ancient Maya change the way they lived?</p>
--	---	--	--	--	---	--	---	--	--	---	---

Chronology - To be able to use the terms ancient, modern, AD, BC, century and decade to talk about chronology and create timelines to show how these relate to one another.

Evidence - Define primary and secondary sources. Use critical thinking to discuss the reliability of sources by exploring perspectives of people and times from the past and present.

Significance - Explain why a person or event changed the immediate future and how it/they impact on our lives today (cause and effect). KEY CONCEPTS HISTORY

Geography – Learn, Love, Look After!

<p>Jungles (South America) Why are jungles so wet and deserts so dry?</p>		<p>Earthquakes Why do the biggest earthquakes not always cause the most damage? North America Beyond the Magic Kingdom</p>	<p>How can we live more sustainably? How and why is my local area changing? Fieldwork Trip to Holmebrook Valley Park</p>	<p>Why do so many people live in cities? Why is Sheffield such a cool place to live in? Visit to Kelham Island</p>	<p>We are meteorologist Presenting the weather</p>	<p>How do volcanoes affect the lives of people on Hiemaey?</p>	<p>Why are mountains so important? Ascent and decent Mam Tor</p>		<p>What is a river? FIELDWORK STUDY HOLMEBOOK</p>	<p>Why is fair trade fair?</p>	<p>How is climate change affecting the world?</p>
---	--	--	--	---	--	--	---	--	---	--------------------------------	---

Place Compare the position of two places in relation to one another using maps, diagrams, globes, aerial photographs and GIS ie countries, regions and time zones across the world.

Space Explain how the features of an environment/space affect its use i.e. people settle near natural resources.

Sustainability Analyse the impact of human use of natural resources and determine if this can be maintained i.e. impact of plastic use on the world's oceans.

Change Explain how human use of natural resources have impacted the Earth i.e. impact of burning fossil fuels or fair trade farming and the implication of that.

Art – Being creative for an audience

(All Years)
Create sketch books to record their observations and review ideas.

Felucca Art

Tutankhamun foil art or mask creations with mixed media.

Marbling and bubble art creating water with vocabulary of jungles and the water cycle.

3D Jungle Art with modelling clay.

Tiger in a Tropical Storm
H. Rousseau study

Specific drawing, painting (including colour mixing) and sculpture techniques to create: patterns Claywork – rolling balls in order to make a thumb-pot

Great artists, architects and designers in history: Orla Kierly

Specific drawing, painting (including colour mixing) and sculpture techniques to create: Hot and cold colours pictures Understand primary colours inspired by Piet Mondrian

Great artists and designers in history: Piet Mondrian inspired art

G. Seurat inspired art

Drawing Use line and tone and use observational skills to make detailed drawings of objects. Explore shading Painting Be aware of the diverse colour range in the natural environment and be able to mix colours appropriately

What can we recycle to make a recycling banner? W

Textiles: How can we change the colour of that fabric?

(Yayoi Kusama repeat patterns)

Alexander McQueen

Claywork

Create pots using 'coiling' and relief technique Painting: Which How can we produce our own paintings in the style of a famous local artist? (Pete McKee, Jo Peel)

Romans: Mosaics - Class quilt Gaudi architecture

Islamic/Turkish tiles clay work

Printing Relief printing using string, card to create a relief surface Resist printing including marbling and silkscreen. How will we make our museum exhibits? What artefacts and artwork did the Vikings produce and what materials, tools and techniques did they use? Draw examples of artefacts in our sketch-books to show specific features Combine different materials to help us make our 3D replicas Make a simple papier-mâché objects (Viking topic)

Collage: How will our mosaics improve the look of our school?

Visit to Brookfield Art Studios to create clay pots

Perspective and tone drawings – Greek artefact sketches

Volcano mixed media pictures

Trojan Horse collage

Andy Warhol inspired class namesake portraits

Painting and the double primary system.

David Hockney inspired Mountains.

Landscape art

Paul Nash

Printing: How will we screen print our own posters? How did poster design change through the 19th and 20th centuries? Relief card printing to create images Collage: What will make our habitat stand out? Textiles Experiment with techniques eg batik, tie-dye, applique etc in order to design own textile

Picasso

Henry Moore Sculptures

Pictures inspired by Banksy or Peter Barber

Wallpaper designs inspired by William Morris created into 3D dining rooms with lamp and working electrical circuit.

Sketches for Christmas card designs.

Class name inspired art – drawings including perspective, line and tone

Midsummer Night's Dream inspired layered art work.

Henry Beck

Art associated with other subjects to allow for comprehensive Robotics and Design & Technology Learning Challenge.

LINE
A line is the path left by a moving point, e.g. a pencil or a brush dipped in paint. A line can have many textures - e.g. horizontal, diagonal or curved. A line can be used to show Contours, Movement, Texture and Expression.

TONE
Tone means the lightness or darkness of something. That could be a shade or how dark or light a colour appears.

SHAPE & FORM
A shape is an area enclosed by a line. It could be just an outline or it could be shaded in. Form is a three dimensional shape such as a sphere, cube or a cone. Sculpture and 3D objects are about creating forms.

COLOUR
There are 9 primary colours: red, yellow, blue, green, cyan, magenta, black, white and grey. By mixing any two primary colours together we get a secondary colour: orange, green and purple.

TEXTURE
Texture is the surface quality of something, the way something feels or looks like it feels. There are two types of texture: Actual Texture and Visual Texture. Actual Texture - how things so you can feel it or touch it. Visual Texture - created using different marks to represent actual textures.

PATTERN
A pattern is a design that is created by repeating lines, shapes, lines or colours. Patterns can be arranged like a design on fabric, or digital, such as the markings on your feet.

PROPORTION

Music - learning how to be creative and perform for an audience

Children will be taught to sing and play musically with increasing confidence and control. They will develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory ready for a class performance to parents at the end of the term and at Christmas as an ensemble.

MUSIC HUB TOOTS

Children will have the opportunity to appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians through 'Music of the Week' including Ten Pieces and Young Voices. Teaching recorders – introduce notation, rhythm and basics of playing the recorder.

Antonio Vivaldi

Children will develop an understanding of the history of music Children will begin to use and understand staff and other musical notations through recorder lessons.

Children will be taught to sing and play with increasing confidence and control. They will develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory ready for a class performance to parents at the end of the term. Perform at Christmas as an ensemble.

Grażyna Bacewicz

MUSIC HUB BAMBOO TAMBOO

Children will develop an understanding of the history of music Children will begin to use and understand staff and other musical notations Children will perform at a summer concert as an ensemble, using their voices with increasing accuracy, fluency, control and expression.

Children will have the opportunity to appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians through 'Music of the Week' and Young Voices. Children will perform at Christmas as an ensemble, using their voices with increasing accuracy, fluency, control and expression.

Ten Pieces Children will begin to use and understand staff and other musical notations

Delia Derbyshire

MUSIC HUB READY TO ROCK

They will develop an understanding of musical composition for a class performance to parents at the end of the term. Children will perform in ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression.

Music of the Week – appreciation and understanding of a wide range of music including live music.

Children will perform at Christmas as an ensemble, using their voices with increasing accuracy, fluency, control and expression.

Heitor Villa-Lobos

MUSIC HUB SAMBA BAND

Ten Pieces – develop understanding of the history of music and selected musician studies

George Gershwin

Class performance to parents at the end of the term with increasing accuracy, fluency, control and expression.

Design & Technology

Religious Education - Considering perspectives of people on

L2.7 What does it mean to be a Christian in Britain today? (part 1)	L2.2 Why is the Bible so important for Christians today?	L2.1 What do different people believe about God? <i>Christian focus and either or both Hindus and Muslims</i>	L2.8 What does it mean to be a Hindu in Britain today? (part 2)	L2.5 Why are festivals important to religious communities? <i>Eid focus</i>	2.9 What can we learn from religions about deciding what is right and wrong?	U2.1 Why do some people think God exists?	U2.7 What matters most to Christians and Humanists?	U2.4 If God is everywhere, why go to a place of worship? <i>focus visit to the church and / or the masjid</i>	U2.6 What does it mean to be a Muslim in Britain today? (part 2)	U2.5 Is it better to express your beliefs in arts and architecture or in charity and generosity?	U2.3 What do religions say to us when life gets hard?
L2.8 What does it mean to be a Hindu in Britain today? (part 1)	L2.5 Why are festivals important to religious communities?	L2.4 Why do people pray?	L2.7 What does it mean to be a Christian in Britain today? (Part 2)	L2.3 Why is Jesus inspiring to some people?	L2.6 Why do some people think that life is like a journey and what significant experiences mark this?	U2.6 What does it mean to be a Muslim in Britain today? (part 1)	U2.2 What would Jesus do? (Can we live by the values of Jesus in the twenty-first century?)		U2.8 What difference does it make to believe in Ahimsa, Grace and/or Ummah?		
Amazing Bodies	The Power of Forces!	How does your garden grow (2)	Where does all that food go?	In a State?	Who am I?	The Earth and beyond!	Feel the Force	Marvellous Mixtures	Everything Changes	Body Pump	The Nature Library
Can you see me?	How does your garden grow?	We can be Rock Detectives!	Good Vibrations!	Switched ON!	Human Impact!	Everyday materials	Circle of Life	Materials – All Change!	Light Up your World	Danger, Low Voltage!	Body Health
NOTE: Our Changing World sessions progress throughout the key stage											

Science - Gaining scientific knowledge and understand the implications of science

BEING SCIENTIFIC

1. Ask relevant questions and use scientific enquiry to answer them. 2. Carry out simple practical enquiries, comparative and fair tests.
 3. Observe systematically and carefully; where appropriate take measurements using standard units 4. Identify differences, similarities or changes related to simple scientific ideas or processes 5. Gather, record, classify and present data to answer questions. 6. Report on findings of investigations
 7. Use scientific evidence to answer questions, draw simple conclusions, make predictions, suggests improvements and raise further questions 8 – Y6 -Use test results to make predictions and to set up further comparative and fair tests.

Languages- Developing language and

Getting to know you.	Food, Glorious Food	Our School	All Around Town	Going Shopping	What's the time?	Getting to know you	That's Tasty	School Life	Let's visit a French town	This is France	All in a day
All About Me	Family and Friends	Time	On the Move	Where in the World	Holidays and Hobbies	All About Ourselves	Family and Friends	Time Travelling	Let's go shopping		

POURQUOI LA FRANCAIS?

- 200 million people speak French around the world, and it is an official language in 32 countries.
- French travelled around the world as a colonial language and played a key part in the founding of the United Nations, the Olympic movement and the European Common Market, hence its status, alongside English, as the language of diplomacy.
- The British Council recognises the long-held attachment the British have felt to the language.
- It forms an aspect of our past. For nearly 400 years when the country was ruled by Norman kings, it was the language of the ruling class of the time - the nobility spoke French, like everyone at the royal palaces and in the judiciary. Many aspects of French culture have become world-renowned and famous i.e. impressionist painters and architecture
- By introducing children to the language and some of the basic aspects during the Junior years the uptake in KS3 and 4 may increase.

PSE & HRE Personal, Social Economic, Health & Relationships - developing the knowledge, skills and attributes I need to manage life now and in the future

Being Me in My World	Dreams and Goals	Relationships	Being Me in My World	Dreams and Goals	Relationships	Being Me in My World	Dreams and Goals	Relationships	Being Me in My World	Dreams and Goals	Relationships

Safer Internet Day (every day) - Understand the benefits of the internet - Year group safety focus from 'Education for a Connected World'. - Identify where and how to report concerns and get support.

Ongoing **5 Ways to Well-being** work - Understand that mental wellbeing is part of daily life - Year group healthy emotions focus - Recognise that it is usual to experience mental ill health, and often easy to help with support - Understand the benefits of a variety of activities/ strategies for mental wellbeing - Identify where and how to seek support. Optional use of anti-stigma champions and well-being WONDERS.

Diversity – Cultural Diversity Day themes – Visits from Derby Open Centre - Recognise our different identities (and that families can be different) - Understand the dangers of stereotypes - Explore the Universal Declaration of Human Rights - Study a different culture.

Mathematics- acquiring fluency in mathematical concepts, thinking critically, reasoning and problem solving

<p>PLACE VALUE Represent numbers to 1,000 100s, 10s and 1s Number line to 1,000 Find 1, 10, 100 more or less Compare numbers to 1,000 Order numbers Count in 50s</p> <p>ADDITION AND SUBTRACTION Add and subtract multiples of 100 Add and subtract to or from 3-digit numbers Add two 3-digit numbers – crossing 10 or 100 Subtract a 3-digit number from a 3-digit number Estimate answers to calculations</p>	<p>MULTIPLICATION AND DIVISION Multiplication – equal groups Multiplying by 3 Dividing by 3 Multiply by 8 Dividing by 8 Comparing statements Related calculations Multiply 2-digits by 1-digit Dg by 4 Dividing by 4 Divide 2-digits by 1-digit Scaling How many ways</p> <p>PERIMETER Measuring and calculating the perimeter of different figures.</p> <p>PROPERTIES OF SHAPES 2D and 3D shapes. Regular and irregular shapes. Properties of shapes.</p>	<p>MONEY Pounds and pence Converting pounds and pence Adding money Subtracting money Giving change</p> <p>FRACTIONS Unit and non-unit fractions. Fractions of numbers and quantities. Equivalent fractions. Mixed number fractions. Adding fractions.</p> <p>STATISTICS Pictograms Bar Charts Tables</p> <p>TIME Analogue, digital and words. “Sports teaches you character, it teaches you to play by the rules, it teaches you to know what it feels like to win and lose-it teaches you about life. “ - Billie Jean King

School Games Values

We follow the six School Games Values when competing and in our PE lessons.

Determination: Keep going no matter what. Determination is about the journey you go on to push yourself and achieve your dreams. Have the mental strength and self-discipline to overcome obstacles, commit to your goals and keep working every day to become the very best you can be. Don't hold back!

Teamwork: Treating everyone equally, supporting each other and working together to have fun and achieve. Celebrate each other's success and be a positive team player.

Self-Belief: You've got to believe to achieve. Have the self-belief and confidence to succeed and reach your personal best

Honesty: Be honest with others and with yourself. Have the courage to do the right thing and what you know is right. Let the best person win, not the best cheat!

Passion: Giving it 100 per cent. Put your heart and soul into the game and never give up. Passion makes you enter the race and passion makes you finish it.

Respect: Show respect for the referee, for the opposition, for your team mates, for yourself and for the game. Accepting victory and defeat with grace, treating others politely and with understanding. Have respect every day, in every sport and for everyone.
