

Art

Intent

Children to value art.

To explore and create using different media with confidence.

To introduce children to artists, designers and craft makers from around the world.

To encourage debate and discussion.

Implementation

Use of basic techniques that can be applied and developed each year through weekly lessons.

A range of media are planned for including accessing secondary provision for specialist teaching.

Sketch books enable children to present and evaluate their own work

Meaningful links with other curriculum areas result in displayed art featuring a wide range of subjects.

Impact

Self reflection added to Seesaw or sketch-books for assessment.

Individual interest and curiosity is developed

Children feel successful as they achieve, ask questions and present their work in the hall gallery, class display, corridor displays or home display.
