

My LEARNING CHALLENGES and skills to practise this summer term in Year 3.

Core skills this term to catch me doing well Please upload onto the Seesaw photos or evidence showing the skills below whilst learning at home. Children will receive dojos for completing these skills and uploading their research for homework set via Seesaw. They could prepare a speech/script to supplement their research and present this to the class. Any homework linked to the learning challenges will be set on Seesaw.

Communication and Digital Literacy The ability to speak effectively for different audiences; to listen, to understand and respond appropriately to others; participate in group discussion; communicate using a range of media (dance, art, song, thought). Digital literacy refers to an individual's ability to find, evaluate, and compose clear information through writing and other mediums on various digital platforms. Digital literacy does not replace traditional forms of literacy, instead it builds upon them.

Enquiry and Reasoning Asking relevant questions; posing and defining problems; planning what to do; planning how to research; predicting outcomes; anticipating responses; testing ideas and conclusions; improving ideas. Giving reasons for opinions and ideas; drawing inferences and making deductions; using precise (reasoning) language to explain thinking; making judgements and decisions informed by reasons or evidence.

Reading Challenges

Geography Learning Challenges

Why do some Earthquakes cause more damage than others?

What is an Earthquake? What is the Pacific Ring of fire? Why don't the largest earthquakes always cause the most death and destruction?

Beyond the Magic Kingdom: what is the Sunshine State really like?

Why is the Magic Kingdom the most popular theme park in the world? Why is the state of Florida a peninsula? How does Florida's climate compare to that of the UK?

Mathematics

Unit fractions

Non-unit fractions

Measures, including time.

Geometry including parallel and perpendicular sides.

Science

The Power of Forces

How do magnets affect each other?
