

## **Brockwell Junior School**

### **Governor Attendance**

Governing Bodies are accountable to parents, the local community and Derbyshire County Council – they are at the heart of how a school operates and how they undertake their role affects the interests of pupils, staff and the reputation of the school in the community.

Governors help to set our school's vision, ethos and strategy; they hold the Headteacher to account for the educational performance of the school and its pupils, and oversee the school's financial performance to make sure the money is spent wisely and achieve best value. The school appreciate the wide range of skills, knowledge and experience Governors bring to the school; the support and advice they provide is invaluable.

We record attendance at Board of Governors meetings and its committees. However, this does not provide a complete picture of Governor involvement. As well as playing their part at the meetings, they also visit and get to know the school, support staff with specific projects and attend school events. Many Governors also work or have other busy roles – so we value the time they are able to give us.

- Each committee requires a minimum of three Governors to be in attendance to meet the quorum.
- With regard to the Board meetings, a minimum of 50% of Governors are required to be in attendance to meet the quorum.

The tables below show the broad attendance figures for each committee during 2021/2022.
