

# MY LEARNING CHALLENGES in Y6 SPRING Term

**Improving our own learning** The setting of personal goals; the directing of the task; the control of the learning journey; developing and using success criteria; focusing and concentrating on learning; persisting when learning is difficult; developing independence and resourcefulness.

**Resilience** The ability to cope with challenges, successes and failures. To develop psychological and behavioural capabilities that allow us to remain calm during such situations and to move on from an incident (self-regulate) without long-term negative consequences.

## History Learning Challenges

### How did the lives of (working) children change during the Victorian Era?

- What key events and inventions occurred during the Victorian Era?
- What do sources tell us about how children's lives have changed?
- What jobs did children have in Victorian England? What were they like? Why did they have to do them?
- What was life like in a workhouse?
- Who helped to improve their lives and how?

## Geography Learning Challenges

### Why is fair trade fair?

- What is trade?
- Why has it been important to countries around the world for thousands of years?
- Why might trade not always be fair?
- What are the potential benefits to the producer and consumer of people around the world becoming fair trade farmers?

### European countries and capital cities quiz
