

MY LEARNING CHALLENGES in Y4 Spring Term

Mathematics

- Multiplication and Division
- Length & Perimeter
- Fractions
- Decimals

English

Podkin inspired fantasy story
The Iron Man newspaper story

Personal, Social, Health and Relationships

Dreams and Goals We learn of people who have overcome challenges to achieve success and discuss what they can learn from these stories. We talk about facing learning challenges and identify their own strategies for overcoming these. The children talk about obstacles which might stop them from achieving their goals and how to overcome these.

Science

Switched On (Electricity)
Digestion and food chains

Geography

Climate Change: Not our problem?

I can describe and explain climate changes which are occurring around the world.

I can compare and contrast different ways in which people can and do live more sustainably.
